AMEND Senate Bill No. 2123

House Bill No. 2075*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1.

(a) There is created an advisory task force to study the developing of initiatives to reduce the waste of food in this state.

(b) The task force shall consist of twelve (12) members as follows:

(1) The commissioner of environment and conservation, or the commissioner's designee, who shall serve as the chair of the task force;

(2) One (1) person representing the department of agriculture, to be appointed by the commissioner of agriculture;

(3) One (1) person representing the department of health, to be appointed by the commissioner of health;

(4) One (1) person representing the department of education, to be appointed by the commissioner of education;

(5) One (1) person representing food recovery organizations in this state to be appointed by the commissioner of environment and conservation;

(6) One (1) person representing urban counties in the state to be appointed by the commissioner of environment and conservation;

(7) One (1) person representing rural counties in the state to be appointed by the commissioner of agriculture;

(8) One (1) person representing restaurants in the state to be appointed by the commissioner of environment and conservation;

Amendment No. 1 to HB2075

AMEND Senate Bill No. 2123

House Bill No. 2075*

(9) One (1) person representing agricultural producers in the state to be appointed by the commissioner of agriculture;

(10) One (1) person representing additional business interests in the state to be appointed by the commissioner of environment and conservation;

(11) One (1) person representing a public institution of higher education in the state with expertise regarding food systems or food waste topics appointed by the commissioner of environment and conservation; and

(12) One (1) person representing food vendors or grocers in the state appointed by the commissioner of environment and conservation.

(c) The task force shall examine:

(1) Food systems in this state while performing an analysis that determines where along the food supply chain food waste occurs;

(2) The need for incentives for school and community awareness to reduce food waste, including the use of tax credits and grants;

(3) The need for appropriate changes to food establishment regulation and food donation statutes, including modification of liability protections; and

(4) Waste management, diversion (such as composting, anaerobic digestion, feeding to livestock) and recycling practices with respect to food.

(d)

(1) Members of the task force shall serve without compensation or reimbursement for any expenses incurred while participating in the business of the task force.

(2) Vacancies among the members of the task force must be filled in the same manner as in the original selection of members.

(e) The selection of members of the task force should be inclusive and reflect the racial, gender, geographic, urban, rural, and economic diversity of this state.

(f) The commissioner of environment and conservation shall call the first meeting of the task force.

(g) The task force must agree upon its findings and recommendations by a majority vote of its total membership.

(h) The chair of the task force may call on appropriate state agencies for reasonable assistance in the work of the task force. The task force shall be administratively attached to the department of environment and conservation.

(i) The task force shall hold public meetings and utilize technological means, such as webcasts, to gather feedback on its recommendations from the general public.

(j)

(1) The task force shall submit a report of its findings and recommendations to the general assembly no later than March 1, 2019.

(2) This act is repealed on June 30, 2019.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
